

IF EVERY AMERICAN DID 3 OF THESE 5 THINGS, ICE WOULD BE STOPPED IN ITS TRACKS

Alex Pretti and Renee Nicole Good were both shot by ICE agents on camera. Both times, the President blamed the victim and excused ICE agents. **We move NOW or hand over our rights.**

1 CALL LAW-MAKERS (2-5 MIN)

Deadline: January 30th

Google "[your city] senators" → call all of them and say:

> "I'm [NAME] from [CITY/ZIP]. Defund ICE by opposing any DHS appropriations bill that maintains ICE funding, and support legislation that claws back the $75 billion ICE slush fund created by H.R. 1 last year."

WHEN LEAVING A VOICEMAIL, GIVE FULL ADDRESS SO YOUR CALL IS TALLIED.

2 BOYCOTT THESE COMPANIES

They profit from and support ICE. They get no more from us.

1. Home Depot
2. Target
3. Amazon
4. Whole Foods
5. Hilton Hotels

3 PREPARE YOUR COMMUNITY

SCAN FOR RESOURCES

A local network of witnesses and whistleblowers can keep families together and save lives. Organize with neighbors. Know your rights. Know theirs.

4 MAKE RECURRING DONATIONS ($5-10/MO)

Fund the lawyers fighting ICE through legal channels:

- **Impact Fund (Immigrant Rights Portfolio)**
- **National Immigrant Justice Center**
- **Immigrant Defense Project**

Even $3/mo helps. Less than a coffee.

5 SHARE THIS (5-10 MIN)

Take a photo of this. Send it to friends, post it on social media, print it out and slip it under doors.

This is not the time for quiet opinions.

PICK 3 OR 4. DO THEM THIS WEEK.

Not for me, not for yourself, but for a very uncertain future. For Renee Good and Keith Porter. For future generations.
